## Description :

Prsentation de l'diteurA Communicative Grammar of English has long been established as a grammar innovative in approach, reliable in coverage, and clear in its explanations. This fully revised and redesigned third edition provides up-to-date and accessible help to teachers, advanced learners and undergraduate students of English. Part One looks at the way English grammar varies in different types of English, such as formal and informal, spoken and written; Part Two focuses on the uses of grammar rather than on grammatical structure and Part Three provides a handy alphabetically arranged guide to English grammar. A new workbook, The Communicative Grammar of English Workbook also accompanies this edition.Revue de presse"Because of its comprehensiveness and conciseness, this book cannot be ignored by anyone either learning or teaching English."IRALPrsentation de l'diteurA Communicative Grammar of English has long been established as a grammar innovative in approach, reliable in coverage, and clear in its explanations. This fully revised and redesigned third edition provides up-to-date and accessible help to teachers, advanced learners and undergraduate students of English. Part One looks at the way English grammar varies in different types of English, such as formal and informal, spoken and written; Part Two focuses on the uses of grammar rather than on grammatical structure and Part Three provides a handy alphabetically arranged guide to English grammar.
