Description :

Prsentation de l'diteurModern, original fiction for learners of English. It is the start of a new school year for teenager Hu at an international school in the exciting city of Bangkok. She has a problem with one of the teachers and does not know what to do. Through an adventure in a national park, acting in a musical and the help of friends, Hu finds the courage to tell the truth. Revue de presse'What distinguishes the series from all the others is the zest and freshness of the text. Where the emphasis in other series is on plain and straightforward language, Cambridge English Reading texts typically use very modern expressions and the dialogue is faster moving. This has an impact on the quality of the audio cassettes, which make for very enjoyable listening.' David R. Hill, Survey : Readers, ELT Journal'It was only a matter of time before a

major ELT publisher set out to challenge the market dominance of Penguin Classics in the area of readers
CUP have hit back admirably. With something for everyone in your classes, this series is well worth
investing in. In fact, it's going to be a difficult act to follow by other publishers.' IATEFL Issues'The series
breaks new ground in two respects. The first is the light and informal style of writing. It is notoriously
difficult to write fluent prose using restricted lexis and syntax. Part of the secret is to use word and grammar
lists flexibly; but it requires flair and a good ear to produce prose and dialogue that read so well and give
such a genuine flavour of modern idiom.' English Teaching Professional'These were a very good read:
exciting fast-moving stories at all levels, and a good mixture of subjects. Most touched on up-to-date
themes, such as corruption, refugees, psychology, hunger, feminism, or ecology without being prosy, or
moralising.' BaNina Vivanco, SATEFL Newsletter Vol 19 No 3'This is a well presented, authentic looking
series of readers that students should enjoy. They are graded into five levels, and the accompanying cassette
will be useful, especially for pronunciation audio versions are very popular with students.' Josephine
