## Description :

Prsentation de l'diteurDo you enjoy hearing and learning new French expressions? Then "Other Cats To Whip" is a new must-have book! Graham Clark, moved to nearby Marseille in 2012, but suffered a language mishap when trying to drop the phrase "J'ai d'autres chats fouetter" (meaning: I've got other fish to fry) into conversation with his boss. Inspired by this story - which you can read in full in the introduction of the book - Graham and his co-author Zubair Arshad, have carefully crafted this book of delightful French idioms, each with illustrative cartoons, direct English translations and actual meanings. Other Cats To Whip: The Book Of French Idioms brings you a plethora of these bizarre French idioms, which form part of every day life in the land of libert, galit, fraternit. Each idiom is supported by a drawing to help you learn, love and laugh at these expressions, and to help you fit it with the locals! The book is a great resource for learning these French expressions and even better for a good hearty chuckle.Prsentation de l'diteurDo you enjoy hearing and learning new French expressions?
