Description :

Prsentation de l'diteurThrough forty quizzes, formatted especially for Kindle, this book offers the most engaging way to learn all the capital cities of the world. But it doesnt stop there; it has been created in the hope that it will still be of some value and enjoyment as a kind of miniature encyclopaedia of capitals, once youve completed all of the quizzes.Its bursting with trivia and illustrations to guide you through 195 capital cities. Bonus round quizzes include questions and trivia about buildings and monuments, rivers, roads, and name etymologies. Which capital city is home to the most Michelin-starred restaurants? Where is the worlds biggest stadium, or the Museum of Broken Relationships? Which river runs through the most capitals? Theres something to fascinate readers of all ages.This book cannot substitute for a single minute spent in one of the worlds many capital cities, over sixty of which, the authors have had the good fortune to visit; but hopefully it can provide some addictive geographical entertainment, and give you a few facts to pin onto the

names of faraway lands. We hope you will enjoy attempting these quizzes as much as we enjoyed creating them. Presentation de l'diteur Through forty quizzes, formatted especially for Kindle, this book offers the most engaging way to learn all the capital cities of the world. But it doesn't stop there; it has been created in the hope that it will still be of some value and enjoyment as a kind of miniature encyclopaedia of capitals, once you've completed all of the quizzes. It's bursting with trivia and illustrations to guide you through 195 capital cities. Bonus round quizzes include questions and trivia about buildings and monuments, rivers, roads, and name etymologies. Which capital city is home to the most Michelin-starred restaurants? Where is the world's biggest stadium, or the Museum of Broken Relationships? Which river runs through the most capitals? There's something to fascinate readers of all ages. This book cannot substitute for a single minute spent in one of the world's many capital cities, over sixty of which, the authors have had the good fortune to visit; but hopefully it can provide some addictive geographical entertainment, and give you a few facts to pin onto the names of faraway lands. We hope you will enjoy attempting these quizzes as much as we enjoyed creating them.
