**Description :** Description du produit Red Stevens owned everything a man could ask for, and he generously supported his entire extended family, asking nothing in return. Near the end of his life, however, Red realized one thing: in giving his family everything, he had given them nothing. Years of being provided with unearned incomes had caused them to become greedy and selfish. Yet there was one who wasn't completely lost. One who still had the potential to change and to learn. That one was Red's great-nephew, Jason. This is the story of Red Stevens, a self made man who realized, almost too late, the terrible mistake he had made. It is the story of Jason Stevens, as he makes a year long spiritual journey down a path that will lead to the incredible inheritance that his uncle has planned for him. And it is also our story, as we travel along with Jason, learning lessons in the most unexpected ways - lessons that we can learn and apply every day, making "The Ultimate Gift" our own.

Prsentation de l'diteurWhat would you do to inherit a million dollars? Would you be willing to change your life? Jason Stevens is about to find out in Jim Stovall's *The Ultimate Gift*. Red Stevens has died, and the older members of his family receive their millions with greedy anticipation. But a different fate awaits young Jason, whom Stevens, his great-uncle, believes may be the last vestige of hope in the family. "Although to date your life seems to be a sorry excuse for anything I would call promising, there does seem to be a spark of something in you that I hope we can fan into a flame. For that reason, I am not making you an instant millionaire." What Stevens does give Jason leads to *The Ultimate Gift*. Young and old will take this timeless tale to heart.
