Description :

Prsentation de l'diteurMind Sciences - Why You Do The Things You Do: The First Book in the WhySeries of Books is all about the behavioral science behind why you do the things you do, temptation, the things you do for love, things i would do to you, you and the things you do to me, dealing with temptation, fighting temptations. It delves into your mind and provides the reasons behind all of your action/behavior/conduct but it doesnt leave you hanging. It also shows you how to change your life and behavioral patterns. This book is an adventure into your mind and what it reveals may be quite startling and painful at first. But once

you learn what is behind your actions and conduct as well as others, the pieces of the puzzle begin to fall into place. Written by one of the nations leading behavioral scientists, Dr. Leland Benton is the author of over two dozen self-help books and nonfiction behavioral science texts. He is a best-selling author with over 200-books published on alone. You need to read this book. It is the first book of Dr. Benton's Why series of books.
