Winner of the prestigious Eric Hoffer Finalist Award 2016! Winner of the 2012 National Indie Excellence Finalist Award! Winner of the 2013 National Reader Views Choice Award! Winner of the 2013 National Beverly Hills Book Award! Wild Beau and Her Kittens is the third book

in Author Peggy Krause The Kitty Tales Trilogy for 7 to 11 year old boys and girls. Poor Beau is a scruffy, hungry cat living in the forest preserve trying to take care of her two tiny kittens all on her own. Its very challenging being a cat without an owner or a warm, dry house to live in. The cat friends, Soupy, Lila, Lola, Puff Puff, and Spider Man stumble across Beau one day while on a trip to the forest preserve to find Soupys foster raccoon-son, Ferdinand. Seeing how thin and battered Beau is from living outside, the cats make it their project to help Beau and her kittens in every way they can. The first book in the Trilogy, Finding My Molly, centers around a cat named Soupy, who is not permitted to go outdoors. One day the front door is accidentally left open and Soupy cannot resist seeing what its like outside. No sooner does he decide that being outside is wonderful, when he is chased by a monstrous cat-eating beast (a large dog). Soupy runs so far trying to escape the monster that he gets lost and must live in a hollow log in the forest. He must form a plan to find his way back home to little Molly, his beloved human-kitten. The next day, though, Soupy finds a tiny, helpless, orphaned raccoon in the forest. Soupy is now torn; raise the baby, named Ferdinand, or find his way home? He cant do both at the same time. He knows his Molly would never abandon a helpless baby, so neither will he. The second book, The Scruffy Little Crumb-Grabbers, centers around a chubby cat named Spider Man who acquired his name from his owner Marcys two little grandchildren, Ruby and Frankie.

Marcy spoils Spider Man with the nicest cat toys and treats she can find, so he has a very happy life until one day when Ruby and Frankie have to move in with Marcy. Whenever the children see Spider Man, they squeal in delight and instantly chase him. Their loving hugs cause Spider Mans eyes to bulge out of his head, so he is forced to spend much of his days running from the children. One day, Ruby and Frankies mischievous ways get them into a dangerous situation, and they desperately need Spider Mans help. He is the only one there who can save them. Will Spider Man rise above his dislike for the children and come to their rescue? All three books are written from the 5 main cat characters perspective, and children enjoy seeing the world anew through a cats eyes. Children also love the books because the author writes them to be funny and fast-paced. Parents and teachers highly recommend The Kitty Tales Trilogy because of the many messages of kindness throughout the stories.

The Kitty Tales Trilogy because of the many messages of kindness throughout the stories. Biographie de l'auteur
Author Peggy Krause loves animals and children - and children, in turn, are naturally drawn to her animated personality and quirky sense of humor. This quirky sense of humor is evident in every chapter of

her funny and fast-paced childrens books in The Kitty Tales Trilogy) written for 7 to 11 year boys and girls. Parents and teachers highly recommend the books because of their many messages of kindness throughout the stories. She writes her books so that they not only entertain, but also make the children think. She writes them as timeless lessons about love and loyalty and responsibility toward animals. Peggys first book, Finding My Molly, is on the National Humane Education Society's recommended reading list, and The Scruffy Little Crumb-Grabbers recently won the National Indie Excellence Finalist Book Award! Believe it or not, all the crazy antics of the children, Ruby and Frankie, in The Scruffy Little Crumb-Grabbers are true stories from the authors life! The author is an animal rights activist and devotes several hours each week volunteering at a nearby animal shelter. She is quite in tune with the feline psyche and has captured all of their adorable idiosyncrasies within the characters of her books for the enjoyment of children and cat-lovers everywhere. The author lives in a suburb of Chicago with her four cats, The Pleasingly Plump Clementine Clump, Clive, Lovie-Dovie, and Monkey. Peggys daughter married four years ago and she is anxiously awaiting grandchildren to play with.
