Description :

Prsentation de l'diteurYour Unique Self changes the game both in terms of our understanding of what enlightenment means and why it matters and even more importantly, in terms of our understanding of the self and its relationship to the larger contexts of life and relationship. The evolutionary emergence of Unique Self is both a new chapter in Integral theory as well as a powerful evolution of the very idea and experience of enlightenment. Unique Self enlightenment is the emergence of the personal beyond the impersonal, self beyond ego. It is the manifestation of personal individuation beyond ego. The implications of this

revolutionary and evolutionary teaching for enlightenment, evolutionary spirituality, shadow work, love, sexuality, parenting, education, politics, relationship, evolutionary we-space and much more are brilliantly and beautifully evoked in this ground breaking volume.
